

The Horse Industry Association of Alberta has a new **free** publication entitled *Basic Care Considerations for Horses*

. The publication provides information about:

- General cost of owning and caring for horses in Alberta
- Feeding and care information
- Basic horse behaviour
- Horse care duties for owners
- The aging horse
- End of life decisions

To obtain a copy, please visit us at The Mane Event in Red Deer April 27-29. Copies of these brochures were mailed out to equine businesses, veterinarians and associations across Alberta. If you would like some mailed to you, please contact our office.
