You have waited your whole life for this – horse ownership. Whether you are 14 or 64, it will be an exciting time thinking of everything you will accomplish together,

whether that is winning competitions or spending time on your favourite trail. However, even new owners that feel well-educated and ready for this purchase often find themselves wondering what supplies they really need to have. It is best to be prepared with a few essential items if you are planning on buying, or have already purchased, your first horse.

### **Grooming Kit**

A grooming kit is one of the most important items that every horse owner should have. These are supplies that you will use every time you ride your horse. Grooming is
