

Even though our December feature is not technically “a horse”, Windy Ridge Mister S is certainly deserving of recognition under the title of “featured equine”.

Mister S is a Canadian Donkey and Mule Association registered and inspected mammoth jack donkey. Born July 14, 1991, at Leslieville, Alberta, Mister S is the offspring of Windy Ridge Klondike Mike and Dry Gulch Sweet Nuthin. He was bred by Carl and Sybil Sewell and then purchased by Ron & Ruth Morphy of Sundown Donkey Farm, at just 4 months old. Mister S has been with the Morphys ever since.
