

Basic dental care for horses at different stages of life.

Author - Dr. Roxy Bell

Roxy Bell is a graduate of the Western College of Veterinary Medicine. After an internship in California, she returned to Saskatoon as an instructor from 1976 to 1979 and again from 1982 to 1990. She has a Masters degree in equine reproduction and Diplomate status with the American College of Theriogenologists. Aside from professorship at WCV, Roxy has practised in New Zealand, Westlock, Lloydminster and currently co-owns an equine practice in Wetaskiwin, Alberta with her husband Dave.
